ANNOUNCING: NEW MISSION FORMED

The organizational meeting of William Wood Missions to Russia was held on August 8, 2002. Twelve founding members met with the purpose of organizing as a not-for-profit mission to send William (Bill) Wood to Russia again as an emissary of the Christian faith. Non-profit status is pending. Attending were William Wood, Steve & Dianna Law, Doug & Connie Connell, Becky Robertson, Dave & Sue Bates, Lance & Arlene Steele, and Dan & April Ashton.

Beginning and spreading from a discussion in a local church's Sunday school class, the desire to help Bill in his ministry was laid upon the hearts of these individuals from various church affiliations. Joining in William's desire and vision to return to Russia in January 2003 for five more years, the group adopted the following Mission Statement: **"All (100%) donations will go toward helping the blind, elderly, poor, invalid, orphaned, widowed, and imprisoned of Russia with the basic needs of life. However, our main focus is to bring the Good News, the Gospel of Jesus Christ, to win souls giving all the glory, honor, praise, and thanks to God."**

"...helping the blind, elderly, poor, invalid, orphaned, widowed, and imprisoned of Russia...bringing the Good News...."

The following Statement of Faith was also adopted: **"We believe in the one true eternal God existing in three Persons: Father, Son, and the Holy Spirit. We believe Jesus Christ is God, the Living Word, who became flesh to die on the cross. We believe He rose from the grave in three days to redeem all who will repent, believe and receive Him as their Savior and Lord, and place all trust in Him alone to save us from the penalty of sin which is eternal Hell. We believe the Bible is the word of God, our love letter from Him and instruction book for daily living. We believe there is only one way to God through Jesus, receiving complete forgiveness and the right as His children to reign with Him in His paradise called Heaven."**

ABOUT WILLIAM WOOD

"If Paul was the chief of sinners, then I was the Admiral," explains William Wood. "God not only saved my spiritual soul, but my physical life as well." Hopelessness, drunkenness, greed, self-hatred, total dependence on narcotics, and suicidal tendencies ended when William called on God. "Having totaled two cars because of alcohol and drugs, I knew it was only a matter of time until I killed someone, maybe even a little child." That fear helped send William to his knees to accept Christ as his Savior in 1991. From 1992-1997 William participated with Josh McDowell Ministries on nine two-week mission trips to Russia. He has also worked with Russian missions with Dr. Bill Becknell of Agape Medical Center, Manchester, KY for four years. William hopes to return to Russia in January of 2003.

ABOVE ALL ELSE, PRAYER.....

William's prayer requests:

“That I always keep Lord Jesus as my first true love and always give the glory, honor, and praise to Him.

That I will be obedient to His will, not mine.

That I do nothing without love.

That God will grant me, this ministry, and all volunteer staff with great wisdom concerning His will and His gifts.

That the Lord God will bless the ministry by opening doors and hearts that we might share His good news, winning souls in numbers as many as grains of sand on a beach.

That God will even grant more special blessings to all who support this ministry.

That God will always lead, prepare the path, and protect us from evil.”

SPEAKING ENGAGEMENTS NEEDED

In order for William to return to Russia, the word must get out! If your church, Sunday school class, civic organization, women's group, Bible Study group, etc. would like to hear about William's mission trips to Russia, please contact Steve & Dianna Law at 309-627-2778 or Dan Ashton at 309-627-2593. William is more than willing to share what God has laid upon his heart to do for the people in the outermost regions of Russia. William is an interesting speaker, and it quickly becomes apparent that he is a humble servant of God with a passion to return to the mission field.

HEARD THE “TALK” BEFORE.....

Many people can testify to the ministry of William Wood as he meets the needs of the Russian people first, then shares the Gospel.

“Masha”, a young university student from Russia who has worked with William as an interpreter sees him as “a man in whom I can see Jesus.” Masha continues, “The Russian people have heard so much “talk” before, but when William comes into their village and fixes their roofs or paints their homes, they will listen to what he has to say.”
